with a full face and a beard
and was hitting on me.

I have never been hit on
before by anyone so I just

Secretary lisme made further news when he declared he would be proposing upcoming legislation to ensure that all infrastructure related to Heaven (i.e.

"Highway to Heaven" and "The Stairway to Heaven" amongst others) would be renamed as these represent a core element of the systematic blight that even in their very naming was secretly used to openingly promote the ugliest

Secretary lisme first came to
the public's notice before his
most recent pronoun
conversion when he was
Transportation Secretary
under the rule of the previous
Big Guy (Little Joey Buyhim
and his Boy DeHunter) where
he purposely demolished
nearly 2/3ths of the nation's
Interstate Highway System as
he explained that they had

this proved that there is a historical continuum of the "Original Sin" of Transportation Racist dating back to the time of the expansion of the railroads way back in the previous century - who by the way, Secretary lisme illustrated with a slick MSDOSers Powerdpoint that clearly showed how the railroads were directly funded by a small core, cadre of greedy, old super rich, white men who reaped a fortune off the

The red areas have a textured, almost marbled appearance, while the blue areas are smoother and more uniform. The overall effect is a sense of depth and movement, with the patterns radiating from a central point.
